KOZMINSKI UNIVERSITY

2. Click on a program to find a description of a course. If you are searching for eg Principles of Management which is part of the Bachelor program in Finance and Accounting, click on Bachelor in Finance and Accounting

The screenshot shows the website's navigation menu with options for 'Studies carried out in Polish' and 'Studies carried out in English'. Below this, the 'Bachelor Program' section is visible, featuring two buttons: 'Finance and Accounting full-time' (highlighted with a red arrow) and 'Management full-time'. Other program options like 'Double Degree Bachelor Program in Management with KEDGE Business School' and 'Double Degree Bachelor in Management with Professional Placement' are also listed.

3. Click on the name of a course which description you are looking for

The screenshot displays the 'Study for direction: Finance and Accounting (undergraduate)' page. It includes a specialization dropdown menu and a table of courses for Semester 1 - Fall Semester. A red arrow points to the 'Principles of Management' course in the table.
