SPORT FEDERATIONS AND MAJOR EVENTS MANAGEMENT PROGRAMME

Over the last 5 years, France has organised no fewer than 12 world championships and 13 European championships, including the UEFA EURO 2016 and the Ryder's Cup in 2018. This impressive achievement continues with the Woman's Football World Cup in 2019, the Rugby World Cup in 2023 and the largest mega sporting event in the world: the Olympic Games in 2024.

With major sporting partners, NEOMA Business School created the **Summer and Winter Sports Federations and Major Events Management programme**, that first took place in July 2019. Following its success, NEOMA BS is renewing the experience and organising the winter programme. The aim remains the same: to give participants a solid insight into the French success story of major sports event through courses taught at our Reims campus, visits to Federations and an on-site experience of a major international event.
